

# From Daughter to Son

Three Hebrew words reveal to us the pathway into our Destiny.

- **בַּת** = *bat* 'daughter' (Strong's 01323). We, as 'flesh' Israelites, are 'daughters', feminine, as we come 'out' of the Father. The word **בַּת** *bat* shows the pictographic meaning as: The House (**ב**) Covenanted (**ת**). We are the House, or the Temple, and our Father has covenanted us. As the word 'covenant' comes from the Latin word *convenire*, which means 'come together', the implied meaning of the word **בַּת** *bat* is, that we, as the House, are appointed to come together again. Come together<sup>1</sup>, but now in the flesh, by Him who has separated us from the beginning.

As **בַּת** = *bat* 'daughter' we have at the present time entered into:

- **שַׁבַּת** = *sha-bat* 'Sabbath' (Strong's 07676). This is the word **בַּת** *bat* + the letter **ש** *sheen*, thus: **שַׁבַּת** *shabat*, which is the 7<sup>th</sup> day. This word **שַׁבַּת** *shabat* pictures: Consuming (**ש**) the House (**ב**) Covenanted (**ת**) or, Consuming (**ש**) the daughter (**בַּת**), which means that now, after our 6 days work, we have entered into His Rest to be made complete, to be 'consumed' in the Father, to be made Spiritual Perfect.

To be Him, as His Manifestation in the flesh, and thus to be:

- **בֵּן** = *ben* 'Son' (Strong's 01121), His Son. A Son is only to be called a 'Son' if he is 'alike' his Father, then the Son is 'Him Manifested'. This word **בֵּן** = *ben* pictures: The House (**ב**) Lives (**נ**). Indeed then His Glory has returned into His Temple and His House Lives, our Body Glorified.

<sup>1</sup> The word 'together' means: 'to join that which be-ongs to each other', to bring back that which once enjoyed 'Oneness'. It is the initiative of the masculine to be attracted by the feminine. Indeed, it is shown in the word 'together', 'to-get-her'.
